 - b. Goalkeeper's crease and penalty area is "imaginary" starting from the corner of the full field 18-yard box and extending down to the goal line and across to the other side of the field, the same distance from the sideline. Since this box is imaginary, it's regulation is at the mercy of the referee/RIC.
6. Penalty Shots
 - a. Any fouls by the defensive team in the penalty area will result in a penalty shot to be taken 10 yards from the goal line.
 - b. During a penalty shot, the goalkeeper must stand on the goal line and may not move forward until the ball is touched, although side-to-side movement is allowed.
 - c. All other players must stand behind the penalty area.

7. All free kicks are indirect with the exception of penalty shots.

a. Defending players can step in front of the ball to stop a “quick free kick”.

b. The offensive player can then ask the ref to move the players 7 yards away from the ball. The offensive player must wait for the referees whistle to resume play.

c. A free kick may be awarded if a player on the field (not the goalie) touches the ball with their hands

8. Goalkeeper may handle the ball with his/her hands as long as both feet are inside the goalkeeper’s crease.

a. Goaltenders may handle the ball outside of the crease and participate in play on the field, but if the ball is handled with his/her hands, a free kick will be awarded at the spot of the foul.

b. If the goalkeeper is out of the crease and the ball is prevented from going into the net by a teammate with an intentional handball, the referee may call it a goal at their discretion and the player can be ejected from the game

9. Cards and Ejection

a. The referee has the right to eject any player from play or off the court at their discretion (red card). If a player has been ejected from play, they may not participate in the rest of the match.

b. A yellow card can be awarded to a player for a rough tackle, dissent towards the referees, or any other disorderly conduct*.

c. A warning (yellow card) signifies a warning and two warnings (yellow cards) in one game will result in a red card. The accumulation of three yellow cards over the course of the season will result in the suspension of one game.

e. Players may also be told to sit on the bench by the referee in order to cool down, and must wait for the referee to allow them to return to play.

10. A passback is defined as the goalkeeper handling the ball from an INTENTIONAL pass from their teammate using their feet. A pass may be made using any other body part other than the feet. In the case of a passback, an indirect free kick will be awarded from the location the goalkeeper handled the ball

11. During playoffs, in case of a draw (tie game) at the end of the match, a winner will be decided with each team taking 5 penalty shots. In the case of a tie after the 5 shooters, each team will take one shot at a time until one team scores and the other does not.
